

Storm Drain Marking Registration 2015

Join us on Global Youth Service Day on **Saturday, April 18th from 9:00am-12:00pm**. **The registration deadline is April 3rd**. An optional Global Youth Service Day Appreciation Picnic will be held at the Fifth Third Field at 12:30pm after the project is complete.

Marking the storm drains reminds residents that storm drains flow directly to waterways without being treated and these drains are not trash receptacles. During this activity, participants will be asked to spray paint over a stencil near the storm drain and deliver informational door hangers to houses in residential areas. All equipment and training is provided. This activity is recommended for children above the age of 10; however, younger children are encouraged to participate with increased direct supervision. Liability forms are required for all participants. Please send registrations and questions to Partners for Clean Streams at PO Box 203 Perrysburg, OH 43552 or Ava@PartnersforCleanStreams.org.

Contact Name _____

Address _____ **City** _____ **State** _____ **Zip** _____

Email Address _____ **Phone number** _____

Organization/Troop/Pack # (if applicable) _____

Does your group or leader have experience doing Storm Drain Marking previously? YES NO

Are you able to participate on the rain out date of April 25th if needed? YES NO

Will you be attending the Appreciation Picnic at the Fifth Third Field at 12:30pm? YES NO

Please bring, at least, one adult for every 4 youth participating.

Total number of youth participating _____

_____ 2nd-3rd grade _____ 4th-5th grade _____ 6th-8th grade _____ 9th-12th grade _____ 18 and older

After registration, we will send you your location assignment and more details. Please mark your top two preferences for which jurisdiction you would like to stencil in:

_____ City of Waterville	_____ City of Sylvania	_____ City of Northwood
_____ City of Oregon	_____ Village of Ottawa Hills	_____ City of Rossford
_____ Lucas County	_____ City of Toledo	_____ No preference

We will assign groups to jurisdictions depending on your preference, jurisdiction needs, size of groups, number of basins to stencil, and ages of participants. Because the activity is restricted by wet pavement or very cold conditions, the event may need to be postponed due to weather. The rain out date for Storm Drain Marking, independent of Global Youth Service Day, is Saturday, April 25th. It is your responsibility to make up the event if canceled due to weather. Even if weather does not permit marking drains that day, groups might be asked to clean trash from around a parking lot, park or nearby school to prevent trash from entering the river via storm drains.

Partners for Clean Streams

is proud to join
Global Youth Service Day with

Storm Drain Marking

Marking the phrase

**DRAINS ARE
FOR RAIN**

FLOWS TO WATERWAY

reminds people that anything entering a storm drains goes directly to the nearest waterway-

No filters, No treatment!

Protect our waterways

by registering your group for Storm Drain Marking.

Saturday, April 18th, 2015

9:00am-12:00pm

Marking locations vary

Global Youth Service Day
Appreciation Picnic at

Fifth Third Field at 12:30pm

- ◆ Stencil a painted message or glue a medallion to remind residents that storm drains lead straight to waterways taking untreated pollution with it
- ◆ Groups are assigned to neighborhoods within local cities
- ◆ Ideal for children ages 10 and up wanting to make an impact in public education and water conservation efforts
- ◆ All training and equipment is provided
- ◆ Rain Date is April 25th, alternative scheduling possible
- ◆ Pre-registration is required by April 3rd, contact PCS to register at 419-874-0727 or Ava@PartnersforCleanStreams.org
